## IRS NEWS FOR 2023

### ALL W-2s FOR 2022 MUST BE FILED BY JANUARY 31

Consistent with previous years, **all W-2s (regardless of whether they are electronically filed or filed by paper) must be reported to the SSA no later than January 31, 2023.**

Companies **MUST** give MEDIA the following information **NO LATER THAN YOUR LAST SCHEDULED PAYROLL FOR THE YEAR OR BY DECEMBER 16, 2022, WHICHEVER IS LATER, TO AVOID PENALTIES:**

- 1) **Social Security Number and Address Changes** for your employees. If you access your payroll data through **Media's online product**, you can simply verify your employee data on the system. If you would like online access, please contact your Media Account Representative. If you require a paper report displaying employee information for your review, please ask your Media Account Representative as it is no longer on payroll reports or check stubs due to privacy legislation. Media charges a small fee for a W-2c. Please note **MEDIA WILL NOT BE RESPONSIBLE FOR INCOMPLETE OR INACCURATE INFORMATION ON FORM W-2, FORM 941, NJWR-30 OR OTHER STATE WAGE LISTINGS.** As we have communicated in the

past, the SSA and State of NJ do not recognize social security numbers that start with the number "9". Any such numbers may cause Notices from the SSA, IRS or State of NJ. You will be responsible for any penalties that may result.

2) **Taxable Fringe Benefits Reporting.** According to the IRS rules, the value of certain fringe benefits (e.g., car allowance, owners' health benefits) must be reported as taxable income on the Form 941 as well as on the employee's Form W-2. Please consult your CPA or tax advisor regarding the taxability of benefits for your company and report the information to your Account Representative. You may be subject to additional fees for late submissions.

3) **Disability Reporting.** If you have not already submitted disability income reports to us, please do so IMMEDIATELY. All disability information must be processed through Media BEFORE year end. If you have already reported disability income for any of your employees during this year, this information will automatically be generated on a W-2 for that employee. You may be subject to additional fees for late submissions.

4) **Qualified Pension Reporting.** As required, a qualified pension plan (e.g. 401k, 403b, SEP or SIMPLE) will automatically be marked on an employee's W-2 if there is a salary deferral for the plan from the wage of the employee. However, if the plan is funded entirely by the employer, then you must inform Media BEFORE year end with employee participant information. You may be subject to additional fees for late submissions.

## **FEDERAL INCOME TAX**

For tax year 2023, the IRS has announced various tax changes due to inflation adjustments, including, but not limited to, tax rate schedule changes. Media is prepared to implement these changes promptly.

If you have deferred any of the employer share of FICA Social Security tax during 2020 under the CARES Act, please note that you are responsible for making repayments to the IRS. Fifty percent (50%) of the deferral was due on December 31, 2021 and the remaining 50% is due no later than December 31, 2022. Media can help you make your payments. However, you would need to initiate the request to Media in writing by December 16, 2022. Please include the amount and effective date of the desired repayment in your written request.

As previously communicated to you, the IRS issued a new W4 Form in 2020. Employees hired after 12/31/2019 should use the redesigned W4 Form. However, employers are not required to have existing employees complete the new form. That said, if existing employees want to adjust their withholding, they are required to use the redesigned form. Employers can encourage their employees to go to [www.irs.gov/W4App](http://www.irs.gov/W4App) to use the “estimator” to determine the most accurate federal income tax withholding. Submit any updated Form W-4s to your Media Data Services Account Representative. Please go to [www.irs.gov](http://www.irs.gov) for more information and to download the Form. The Form can also be downloaded from our website at:

[http://www.mediadataservices.com/resources/payroll\\_government\\_forms](http://www.mediadataservices.com/resources/payroll_government_forms)

The annual dollar limit on employee contributions to employer-sponsored healthcare flexible spending arrangements (FSA) is \$3,050 in 2023 (up \$200 from 2022). In 2023, the annual limit on HSA contributions will be \$3,850 (up \$200) for self-only and \$7,750 (up \$450) for family coverage. Any "catch-up" contributions for an HSA must be reported to Media each year. The catch-up contribution limit for those over age 55 will remain at \$1,000.

## **FUTA CREDIT REDUCTION**

A state that has not repaid money it borrowed from the federal government to pay unemployment benefits is a “credit reduction state.” The U.S. Department of Labor (DOL) determines these states. If an employer pays wages that are subject to the unemployment tax laws of a credit reduction state, that employer MUST PAY additional federal unemployment tax when filing its form 940. For 2022, a few states have a credit reduction of 0.3% and the Virgin Islands of 3.6%.

<b>State</b>	<b>Final 2022 FUTA Credit Reduction</b>
<b>California</b>	0.3%
<b>Connecticut</b>	0.3%
<b>Illinois</b>	0.3%
<b>New York</b>	0.3%
<b>Virgin Islands</b>	3.6%

## AFFORDABLE CARE ACT & HEALTH CARE COVERAGE REPORTING

Media has the tracking tools necessary to help our clients with Affordable Care Act (ACA) compliance issues including Employer Reporting Responsibilities of the ACA. Media can also produce and electronically file Forms 1094C & 1095C. An applicable large employer (ALE) is any employer who employs a total of 50 full time or full-time equivalent employees in the prior year. The deadline to give 1095C Forms *to employees* has been automatically extended to March 2, 2023. The deadlines to file the Forms with *the IRS* remain Feb. 28 for paper filing or March 31 for electronic filing. If you qualify as an ALE, we urge you to take action immediately to ensure that your reporting obligations are met. Please call your Media Account Representative if you want our assistance with that process.

Similar to ACA, the health care reporting requirements on the W-2 continue to be optional for small employers. However, employers with 250 or more employees (based on prior year W-2s) are subject to the reporting requirements. It is your responsibility to provide your Media Account Rep with the appropriate information on your health care costs for W-2 reporting on or before December 16, 2022.

Please see [www.irs.gov](http://www.irs.gov) for more information on these two reporting requirements.

## Social Security Administration (SSA) Mismatch Letters

In years past, the SSA sent notices to employers if the SSA could not match the name and

social security number for the employers' employees on a Form W-2 to the SSA's records. We believe they will continue sending these letters. If you receive such notices, it is likely a W-2c will be required to rectify the mismatch. Please inform your Media Account Representative if you would like an employee listing with social security numbers or if you receive any notices. For a small fee, we can assist you with any W-2c filings required. As previously mentioned above and in past newsletters, Media is not responsible for incomplete or inaccurate information on Form W-2, Form 941 or NJ WR-30 or any other state wage listings.

Employers received a notice from the state describing the final unemployment experience rate (allocated between Unemployment and Workforce Funds) and Disability Insurance experience rate. The new rates were retroactively implemented from July 1, 2022 and will remain in effect until June 30, 2023.

### **NJ LAW REQUIRES EMPLOYERS TO PROVIDE PAID SICK LEAVE (PSL)**

The State of NJ requires employers to pay up to 40 hours of sick leave (PSL) per year for all employees. Employees accrue one hour of paid sick leave for every 30 hours worked, up to 40 hours in a year.

Employers are required to post a notice of the law in a conspicuous place and provide a notice to all employees within 30 days after it is issued by the Department of Labor and Workforce Development (DOLWD). You may download the poster from the DOLWD website at: [https://www.state.nj.us/labor/forms\\_pdfs/mw565sickleaveposter.pdf](https://www.state.nj.us/labor/forms_pdfs/mw565sickleaveposter.pdf)

Please see our previous communications for more information or go to <https://nj.gov/labor/earnedsick/index.html> for more details. The State has issued answers to Frequently Asked Questions that you may find helpful as you navigate this new law.

***Please note that if you are utilizing Media's payroll system to help you monitor PSL, it is your responsibility to check the accuracy of the accrual and tracking process. Media indemnifies itself of any legal responsibility to do so. Your payroll report package includes a report to help you monitor the PSL accrual or "front loaded" PSL hours. Please review this report after each pay period. Please alert your Media Account Representative promptly if you find errors or require changes to this report. If your report package does not include the Time Off Accrual report, please let your Media Account Representative know and we will rectify that with your next payroll.***

## **NJ LAW REQUIRES EMPLOYERS TO PROVIDE RETIREMENT SAVINGS**

In March 2019, Governor Murphy signed into law the New Jersey Secure Choice Savings Act. The NJ savings program was scheduled to begin late March 2021. However, given the effects of COVID-19 that date has been pushed back. The Board of the New Jersey Secure Savings program had the liberty of delaying the program for up to 12 months. Yet that time has expired and no start date is confirmed. Employers will have 9 months to comply once an official schedule has been announced.

The Act mandates certain businesses must implement a retirement savings program for employees. Qualifying business include those employers who have:

- 25 or more employees,
- Been in business for at least two (2) years, and
- **Not** offered a qualified retirement plan in the past two years (eg., 401(k), SIMPLE plan).

Employer responsibilities will include:

- Offering open enrollment periods at least once a year,
- Enrolling new hires in the program within three months of their hire date,
- Providing employees information about the program, and
- Depositing employee payroll deductions.

Enrollment is automatic at a default rate of 3% to be withheld from each paycheck, unless the employee chooses to opt out of the program. The employee must be age 18 or older.

Employer responsibilities do not include matching employee contributions. In fact, employers will not be able to match contributions by employees in the program even if they wanted to. Although businesses with fewer than 25 employees are not mandated, they are still eligible to participate if they choose.

If employers do not comply with the Act, they can be subject to penalties.

***Please note that employers shall retain the option at all times to set up any type of employer-sponsored retirement plan, such as a defined benefit plan, 401(k), SIMPLE plan, or to offer an automatic enrollment payroll deduction IRA instead of participating in the state's plan. If you would like to set up an employer-sponsored retirement plan please call your Media Account Representative.***

## NEW MINIMUM WAGE ACTIONS

The Federal minimum wage remains \$7.25 per hour except for employers who do business with the government, which should receive at least \$11.25 per hour. However, as you know, some states have a higher minimum wage rate. When the state minimum wage rate is higher than the federal rate, workers need to be paid at the higher rate. Below is only a summary of certain state minimum wage actions for 2023. For more information, and if you operate in states not listed below, please go to the particular state department of labor website.

**New Jersey: \$14.13 for most employers - see prior page under New Jersey Payroll News)**
